

# Mandelbulb Technologies Privacy Policy

## Introduction

Mandelbulb Technologies uses cookies to improve the user experience on our website. A cookie is a small text file that is stored on a user's device when they visit our website. This policy explains what cookies are, how we use them, and how users can manage them.

## Types of Cookies

We use two types of cookies on our website: session cookies and persistent cookies. Session cookies are temporary files that are deleted when a user closes their browser. Persistent cookies remain on a user's device until they expire or are deleted.

## Use of Cookies

We use cookies to remember a user's preferences and settings, to understand how users interact with our website, and to improve our services. We also use cookies to track browsing activity, such as pages visited and actions taken. We do not use cookies to collect personal information.

## Third-Party Cookies

We may use third-party services that set cookies on our website. These include services such as analytics providers, social media providers, and advertising networks. These third-party cookies are used for the purposes described in the privacy policy of the respective third-party service.

## Managing Cookies

Users can manage cookies in their browser settings. Users can delete existing cookies, block new cookies from being set, or set their browser to prompt them before a cookie is set. Users should be aware that disabling cookies may limit their ability to use certain features of our website.

## Changes to Cookies Policy

We may update this cookies policy from time to time. We will notify users of any changes by posting an updated version of the policy on our website.

## Contact Information

If you have any questions or concerns about this cookies policy, please contact us at [sales@mandelbulbtech.com](mailto:sales@mandelbulbtech.com).
